DIVERSIONS

Electronic Music Production

As 'Elegant Bachelor' I have performed in Singapore, Kuala Lumpur and Dunedin and released the EP 'Songs About North Korea'. I have also organized and DJ-ed at regular dance music events in Singapore with the Supercali music collective.

Writing

I maintained a fortnightly column reviewing pop music on The Corner - an Auckland based online music magazine. My writing has also been published in 'Thought Catalog' and 'The Quarterly Literary Review of Singapore'.

Photography

I have exhibited my photography in various galleries in Singapore and contribute to online stock photo websites. Some of my portraiture work has also been published in The Straits Times and the Otago Daily Times.

Video Production

My short-film 'No Less' was selected for inclusion in the 5th Young Guns Film Festival. I was also featured in the Berita Harian as an upcoming young artist.
